GREETINGS FROM YOUR PRESIDENT

By Sadie Francis Jabbour, class of 1999

With the fall season well underway, the Alumnae/i Association is entering its 90th year and is once again preparing for another eventful and busy year.

Our upcoming Alumnae/i Day will be held on Saturday, October 22nd and is sure to be an exciting day. Registration for this event begins at 9:00 a.m., followed by mass to be celebrated by Father Owen Connolly and our Annual General Meeting. This year we will be presenting changes to the Alumnae/i Constitution which will be voted on next year and Sr. Anne Marie Conn will be our guest speaker. I encourage you all to attend this event.

Once again this year, we will be hosting our third annual Young Alumnae/i Wine & Cheese on Thursday, December 22nd. This event is a great opportunity for all young alumnae/i (and those "young at heart") to see one another during the Christmas season. In the past, this event has been a great success, so I encourage all to mark your calendars and attend!

The Association is also busy planning many fund raising events. The funds raised from these events, along with your annual dues, are what allow the Association to host the above-noted event, as well as our annual Spring Reunion Luncheon. The Association also counts on fundraising and dues in order to support our AIDS orphan in Uganda, Angelah Nsaabimana and our young Sacred Heart girls in Patna, India.

We also try to support the many requests that we receive from school clubs and other aspects of the school. As you can see, the Association truly relies on your support. Thank you to all of you who paid your due in the 2010-2011 year, and we hope to count on your support again this year.

NEWS FROM OUR ALUMS

The 2000's

Congratulations to **Joelle Toulany '11** who was recently awarded a scholarship from the Canadian-Lebanese Chamber of commerce and Industry of Nova Scotia. Joelle graduated with Honours with Distinction in June and is currently attending Dalhousie studying for a Bachelor of Science which she hopes will lead to a career in medicine.

Hayley Sherman '08 is now living in Toronto. She first attended Ryerson and then transferred to the Ontario College of Art and Design to study Material Art and Design with a focus on fiber (textile arts). After graduation she will study Interior Design.

Emily Rowe '06 is off to the University of St. Andrews in Scotland to study for her Master's degree in International Business.

Allison Pressé '06 has begun her legal studies at Dalhousie Law School this fall and is enjoying the challenge.

Kailena van de Nes '01 became engaged this summer! Besides running her own Dance Studio in Ottawa, she spends much of her spare time training for runs to help the Leukemia and Lymphoma Society. Sympathy goes out to Kailena and her sisters, **Anic '00** and **Vanessa '00**, on the death of their grandmother, who died recently.

Jillian Cooke '06 graduated in May from Dalhousie with a BSc. in Kinesiology. This summer she worked in Bathurst NB as a Recreation Programmer and is currently attending Dalhousie in the Masters of Physiotherapy program.

Mairead Fegan Streeter is living in Toronto and working as an intern for the prestigious designer, Sarah Richardson. When you see her, ask her how she got the job. Shall I say savvy and hutzpah? The only downside is that her husband Andrew recently got a job in London, England, and their honeymoon year will be interrupted by distance from time to time.

Wenya (Desiree) Tang '03 wrote recently to say that she has moved to London also – Ontario!

Jillian D'Alessio, '03 has been participating in and winning kayak races this summer as she readies herself to participate in the London 2012 Olympics. Jill represented Canada in Athens in the 2004 Olympic

Games.

The 1990's

Neeya Jacob '98 recently shared her interesting life story. After living in Bahrain and Dubai, she came to Halifax to attend SHSH and lived with the Amaratunga family, whose daughters **Seela '00** and Jasmine were also at the school. She then attended Ryerson University for the Radio and Television Arts program and ultimately started her own event managing business in Toronto. In 2006, realizing the need for more business education, she moved to Milan to attend the MIP (Politenico di Milano) for their MBA program. Studying in Milan gave Neeya the opportunity to travel around Europe. She ultimately graduated with her MBA in July, married her Italian fiancé a week later (he had been a student at MIP), and has settled down in Rome where her husband works and where she is looking for good work opportunities. In the meantime, Neeya still consults with some of her old clients in Toronto and is now a member of the executive committee of the Canadian Club of Rome, while enjoying La Vita Bella!

Jenn Chappell '98 was married this summer to Steve Nelson at St. Mary's Basilica in a beautiful ceremony. Her classmate, **Heather Zwicker '98**, was one of the bridesmaids.

Elizabeth Bowie '98 has been awarded a Massey Journalism Fellowship for 2011-2012. Each year, Massey College chooses several mid-career journalists to join the college. The goal is to get one out of the daily grind to take a year to broaden one's horizons in the unique and intellectual environment that is Massey College. As part of the fellowship, Elizabeth has been given nine months off from her job as a CBC producer and can take classes at the University of Toronto. The Massey community is made up of junior and senior fellows including Michael Ignatieff, Margaret Atwood, Mikhail Baryshnikov, and Julie Payette. Elizabeth is living in residence at the U of T in the apartment that once belonged to Mordecai Richler! Elizabeth comments: "My years at SHSH continue to play an enormous role in shaping my path. Sacred Heart taught me that if you work hard, show concern and courtesy for your neighbour, and dare to be true, good things can happen."

The 1970's

Kelly MacKay '79 has left her position at the University of Manitoba where she has been working for the last 17 years in the Faculty of Kinesiology and Recreation Management. Since 2008, she has served as As-

NEWS FROM OUR ALUMS (CONT'D.)

sociate Dean Academic in the faculty. Kelly also held a joint appointment with Parks Canada. Her work has been recognized through many awards and research grants including being part of a CIDA grant to study the development of sustainable tourism in Uganda. Effective Sept. 1, 2011, Kelly has moved to Toronto to accept a position as Professor in the School of Hospitality and Tourism in the Ted Rogers School of Management at Ryerson University and Director of the Ted Rogers Institute for Tourism and Hospitality Research. We congratulate her and wish her well in her new job!

The 1960's

Paula Sullivan Chambers '69 writes that she is now the principal of The Divine Infant Catholic Elementary School in Toronto. She says that every tradition she learned at the Convent has come in handy in planning music for Mass, organizing plays and concerts, and for fundraising. She tells about convincing the students that they would all be wearing berets and knee socks as part of next year's uniform. "It was a great April Fool's joke."

The 1950's

Linda Coolen Franklin '59 and Cathleen Donahoe Niedermayer '59 recently travelled to Antigonish to celebrate their 50th year of graduation from St FX. They enjoyed meeting with all the other 'Golden Grads' whom they hadn't seen for many years. **Ann Helpard Aylward '52** has shared that this fall her oldest grandson graduates from Oxford University where he has been studying as a Rhodes Scholar for the last two years. He will receive 1st class honours and many prizes. Ann and her husband, Fintan, will attend the graduation (with great pride and delight) and then proceed to fulfill a long-awaited dream by taking a cruise to the Holy Land. Bon voyage!

PASSPORT AROUND THE WORLD

By Nicole (Parkhill) Ferguson '86

At our Spring Luncheon (May, 2011), Sarah Cassidy mentioned how being a Sacred Heart Alumnae/i is "your passport" around the world". From our experience this is true.

This summer I had the opportunity to travel to London, England with my family. We all had our highlights of the holiday. We experienced The London Eye; climbed the steps of Saint Paul's Cathedral; attended church at Westminster Abby and sailed down the Thames to Greenwich. However, I was thoroughly moved by our visit to Sacred Heart High School.

We travelled by subway to Hammersmith and just steps away was the school. Dr. Carpenter, the Headmistress, kindly took us on a tour. The architecture of the school, the painting of Mater Admirabilis and the beautiful courtyard reminded me of our Sacred Heart School. Our shared history and common goals of education really highlighted our international network.

CLASS OF '71 REUNION Loly Cortés- Crowley'71

Hard to believe that 40 years have passed since our 1971 graduation!!! When Lesley Bell Bleil, Cecile Chavy, Evelyn McGlone Kerwin and I first met to plan this reunion, we had our doubts whether we would be able to organized this event or not. But after a few more coffee meetings, emails, telephone calls and a bit of “coaxing” to some of our classmates, our reunion took place on Natal Day weekend, July 29-31, 2011!

Our first event was held on Friday night at the School with our “signature” Wine and Cheese. It is always a fun event, as everyone loves to come and see the school and enjoy a drink in the “front parlor”. Some of our classmates where only able to attend that night, so it was nice to have a chance to talk, reminisce and take our “class picture”

On Saturday night, we had our dinner catered and enjoyed it at Cecile’s place. It was a great idea to have our dinner there, as she has a great house for entertaining and we shared lots of laughs and delicious food.

On Sunday, we gathered at Lesley’s house for brunch. Since it was pot luck, many of us enjoyed many new recipes, but I think the hit this year was Donald’s ice cream dessert! The brunch was also fun because some of the daughters and sons attended and it was nice to see them too! We had a wonderful time full of memories and laughter. Overall, we had, according to Lesley, 20 of our classmates attending plus 4 daughters, 2 sons, some long suffering husbands, 6 cats and 2 dogs!

I would like to take this opportunity to thank everyone who attended and especially those of you who travelled near and far! It was great see you all and I can’t wait to see you in 5 years! Loly Cortés- Crowley’71

VISITORS FROM AFAR by Lynne Sheehan Donahoe '64

In 1963 a beautiful young teen left her home in Mexico City to attend boarding school at the Convent of the Sacred Heart Halifax. Forty eight years later **Veronica Muniain**, her daughter and several relatives returned for a quick visit to the school she loved.

I was fortunate to be available to visit with her and her family on Thursday September 15th when Patricia Donnelly and Barb Martell took them for a tour of the school. I took along a photo album with a few pictures of Veronica and her sister **Teresa** who also attended in Halifax. Veronica remem-

bered everything including the date who escorted her to a Convent dance (Andy Ward) and the names of my parents as she had stayed at our home on various occasions and of course the nuns. She also remembered with great fondness staying with Cathy Linton and Crystal Lanigan. Also mentioned were the O’Deas and the McGraths.

Veronica’s family was thrilled to see the school as they had heard for many years all the stories she told them of her stay in Halifax. They had a chance to say hello to Sister Margaret Connolly too who was Headmistress back then. It was a great visit and hopefully we will now be able to stay in touch. If any other alumnae/i happen to cruise (fly, drive) to Halifax, do come and visit. You are all welcome.

AMASC/CASHA REPORT

By Sarah Cassidy (?76), CASHA Representative

The summer of 2011 passed too quickly and now we are back to a busy fall season. It starts off with our Alumnae/i Annual General meeting on Saturday, October 22nd. It would be great this year if we all tried to bring a fellow alumnae/i who hasn't attended for awhile. Simply making a call to encourage a friend to come along helps bring her back to the school.

The following weekend, on Friday, October 28th, the CASHA executive is involved in supporting a one day CASHA 2011 Social Justice conference in conjunction with the celebration of the 150 Anniversary of the Sacred Heart School in Montreal. The details on the website have already created an interest for some Halifax alumnae who are making travel plans to attend. I would encourage all of you to look at www.sacredheart.qc.ca the Montreal School website and on the first page click on the CASHA conference title to see details on the program, accommodation and a registration form.

The theme "Making a Difference in the 21st Century... Listening with one Heart" will provide alumnae an opportunity to update their knowledge on: 1) the work of the Society in Canada and in the developing world; 2) the internationality of the alumnae network (AMASC); 3) the opportunities for alumnae to actively participate in the world's calls for action whether financially, in the field or through advocacy. This will be your opportunity to listen with one heart to those calls, and to act together. We can create the Canadian Sacred Heart Advantage. The deadline for registering for the conference is October 19th so go online today if you are considering attending. Feel free to contact Sheila Donahoe, CASHA president at Sheila Donahoe sdonahoe@shsh.ca or me at ohhappydayteine@yahoo.ca if you have any questions.

Do you have any pictures you would like to share?
If so, email them to Cathleen Niedermayer at
cniedermayer@eastlink.ca
Now that we are primarily a digital publication,
we can include more graphics!

Come with your questions and together we shall all be part of this "strong commitment to the future of the mission of the Society of the Sacred Heart in Canada."
