The event is open to all students from Gr. 7-12, but we will have awards in two categories – for novices and for advanced. I would offer the following guidelines, but leave it to students to consider which category they debate in:

- Any student in grade 7-9 may debate as a novice;
- A student who has been debating for a year or less at the high school level may debate as a novice;
- Anyone is welcome to debate in the advanced category.
